OUR CLASSES: Descriptions of our February-March-April classes, along with dates and times, are included in this Newsletter. The same information, along with pictures of the Class Models, can be found on our website. The dropdown CLASSES menu at the top of our Home page will take you to 3 pages: BASIC SKILLS CLASSES, FAVORITE CLASSES, and NEW CLASSES. If you are new to quilting or want to sharpen your skills, we encourage you to go to our BASIC SKILLS CLASSES page. Our FAVORITE CLASSES have been offered before (in some cases, over and over!). The classes on our NEW CLASSES page are being offered for the first time in our shop.

2017 EMPLOYEE QUILT SHOW, APRIL 1 – 16: Mark your calendars to see the quilts that represent the hearts and souls of our staff.

2017 BLOCK OF THE MONTH: If you have seen Jane Housman’s awesome red and white quilt, you will understand our excitement as we introduced two red and white quilts, designed in house in collaboration with Jane, for our 2017 program. The program started November 1, 2016, and will run for 12 months. Patterns for the current month’s block(s) are free, and patterns for prior months are available at nominal costs.

At the heart of our program is a Lap Quilt in which we have set many of Jane’s blocks on point. Each month, we shall have patterns and kits for these blocks. For those who desire to make a queen-sized quilt with the Lap Quilt as its central design element, we are preparing patterns for nearly 2 dozen additional blocks (from Jane’s original design) that can be used to create a magnificent border.

As an additional incentive, we are planning a “Viewer’s Choice” show, opening on Valentine’s day, 2018. For one week, we shall display finished 2017 BOM quilts and invite you to vote for your favorites. The awards will include a \$75 Gift Card for the creator of the Viewer’s Choice.

BLOCK OF THE MONTH SEW-IN: Although the blocks are traditional, the on-point setting of blocks of different sizes presents some interesting piecing challenges and some exciting quilting opportunities. With this in mind, we have scheduled Block of the Sew-Ins, starting at the close of business, 5:30 pm, on the second Friday of each month, February 10, March 10, and April 21 (3rd Friday). During these free sessions, we shall have lots of tips and help for you; join us for a few minutes or longer. You are welcome to bring your sewing machine and stay until as late as 8:30.

SATURDAY SAMPLER SEW-IN: Several of our customers have suggested that it would be fun to devote a sew-in to the Saturday Sampler blocks. So (Sew?) we have added this free session to our Friday night repertoire. The evenings are February 17, March 24, and April 28. We shall have tips and help for you, and you are welcome to bring your sewing machine and stay until as late as 8:30.

ROW-BY-ROW EXPERIENCE™: The Theme for 2017 is “On The Go.” Mark Wednesday, June 21, 2017, on your calendar. Plan on “GOing” to *The Quilt Works* on that day to get your free pattern for our 2017 row.

FIRST FRIDAY SEW-IN: The dates are February 3, March 10 (2nd Friday), and April 7. Join us at 5:30 for three hours in which we devote ourselves to *your* quilting projects. They can be UFOs, quilts on which you are stuck, etc. It is a full spectrum opportunity, all the way from the design of quilts to putting on the finishing touches. You are welcome to work on your own projects throughout the evening, and/or spend some time sewing (sharpening your skills, perhaps) on our charity quilts. There is no charge.
