We shall celebrate on Saturday, May 27, with a **32% OFF SALE OF ALL REGULARLY PRICED MERCHANDISE**. There will be door prizes, cookies, and who knows what else, for an exciting day.

INFORMATION ABOUT OUR CLASSES: The information about our classes can be found on our website, along with pictures of the class models. The dropdown CLASSES menu at the top of our Home page takes you to 3 pages: BASIC SKILLS CLASSES, FAVORITE CLASSES, and NEW CLASSES. If you are new to quilting or want to sharpen your skills, we encourage you to go to our BASIC SKILLS CLASSES page. Our FAVORITE CLASSES have been offered before (in some cases, over and over!). The classes on our NEW CLASSES page are being offered for the first time in our shop.

2017 EMPLOYEES’ QUILT SHOW, APRIL 1 – 16: Many thanks to all who viewed our 2017 Employees’ Quilt Show. All of us on the staff greatly appreciated the interactions as you viewed our heart-felt efforts. We especially give a big “shout out” to each customer who filled out his/her “Where’s Waldo” page; your thoughts about the quilts on display, and about classes we should consider offering in the future are of tremendous value to us.

Pictures of the quilts, along with descriptive information, are posted on our website, and will remain there until we post the 2018 Show. To view this year’s show, click on the Special Programs drop-down menu at the top of our home page and select “2017 Quilt Works Employees’ Show”. Here is the link: <http://www.quiltworksabq.com/2017-quilt-works-employees-show/>.

2017 BLOCK OF THE MONTH: If you have seen Jane Housman’s awesome red and white quilt, you will understand our excitement as we introduced two red and white quilts, designed in house in collaboration with Jane, for our 2017 program. The program started November 1, 2016, and will run for 12 months. Patterns for the current month’s block(s) are free, and patterns for prior months are available at nominal costs.

At the heart of our program is a Lap Quilt in which we have set many of Jane’s blocks on point. Each month, we have patterns and kits for these blocks. For those who desire to make a queen-sized quilt with the Lap Quilt as its central design element, we are preparing patterns for nearly 2 dozen additional blocks that can be used to create a magnificent border.

As an additional incentive, we are planning a “Viewer’s Choice” show, opening on Valentine’s day, 2018. For one week, we shall display finished 2017 BOM quilts and invite you to vote for your favorites. The awards will include a \$75 Gift Card for the creator of the Viewer’s Choice.

FIRST FRIDAY SEW-IN: The dates are May 5, June 2, and July 7. Join us at 5:30 for three hours in which we devote ourselves to *your* quilting projects. They can be UFOs, quilts on which you are “stuck”, etc. It is a full spectrum opportunity, all the way from the design of quilts to putting on the finishing touches. You are welcome to work on your own projects throughout the evening, and/or spend some time sewing (sharpening your skills, perhaps) on our charity quilts. There is no charge.

BLOCK OF THE MONTH SEW-IN: Although the blocks are traditional, the on-point setting of blocks of different sizes presents some interesting piecing challenges and some exciting quilting opportunities. With this in mind, we have scheduled “Block of the Month Sew-Ins,” starting at the close of business, 5:30 pm, on the second Friday of each month (May 12, June 9, and July 21). During these free sessions, we shall have lots of tips and help for you; join us for a few minutes or longer. You are welcome to bring your sewing machine and stay until as late as 8:30.

SATURDAY SAMPLER SEW-IN: It has been suggested that it would be fun to devote a sew-in to the Saturday Sampler blocks. So (Sew?) we have added this free session to our Friday night repertoire. The evenings are May 19, June 16, and July 28. We shall have tips and help for you, and you are welcome to bring your sewing machine and stay until as late as 8:30.

The Quilt Works, Inc.

SEMI-ANNUAL SALE – WEDNESDAY, JULY 12 THROUGH SATURDAY, JULY 15:

25% off full priced merchandise. Don't forget our Garage Sale on Friday evening, 6:00-8:00, in which all half-priced fabric will be \$3.75/yd. We shall close briefly from 5:00 to 6:00 to gear up for the sale. We shall have many other items at special prices for our Garage Sale, too.

ROW-BY-ROW EXPERIENCE™: We, along with several other New Mexico shops, are participating in the Nationwide (plus Canada and Europe) 2017 Row-By-Row Experience™. (About 3000 shops participated in 2016.) Each shop has a unique pattern/kit for a row in your quilt, and you must enter the brick-and-mortar shop to get it. The theme this year is "On the Go." The first person to bring into our shop a completed (quilted, bound, and labeled) row quilt using patterns from at least 8 different shops will win a bundle of 25 fat quarters. Here are the dates:

- June 1 – Look for a picture of our Row on our web site.
- June 21 – September 6. Visit shops and collect the free patterns, and/or purchase kits with patterns included.
- June 21 – October 31. Bring in your completed quilt. If you are the first, you win the prize and we post a picture of your quilt on our Facebook page; even if you are not the first, we would still like to post a picture of you with your quilt.

Our pattern not only details how to make the Row, but also has instructions for making it into a nice stand-alone wall hanging, should you wish to use it in that way.

Our fabric license plate for 2017 reads: "SEW ENCHANTING", and has our Sunbonnet Sue logo in the lower left-hand corner. The background color for this year's plate is turquoise (as it was in 2015 and 2016), and the plate measures 7¼" x 3½". Watch the weekly e-mails for an announcement about the availability of the plate.

KID'S CLASSES: "CHINESE COINS" & "I SPY KID'S QUILT".

The Quilt Works is pleased to offer two quilting classes for kids this summer. The teachers, Becky and Danyella, are thrilled to be able to offer these classes. When Danyella was nine years old, Chinese Coins, taught by Becky, was her very first quilting class. Together this summer they will share the joy that quilting can create.

SHOP STROLL: Friday-Saturday, 18-19 August.
