INFORMATION ABOUT OUR CLASSES: Descriptive information for all of our August-September-October classes, along with dates and times, is included in this Newsletter. The same information, along with pictures of the Class Models, can be found on our website. The dropdown CLASSES menu at the top of our Home page will take you to 3 pages: BASIC SKILLS CLASSES, FAVORITE CLASSES, and NEW CLASSES. If you are new to quilting or want to sharpen some of your skills, we encourage you to go to our BASIC SKILLS CLASSES page. Our FAVORITE CLASSES have been offered before (in some cases, over and over!). The classes on our NEW CLASSES page are being offered for the first time in our shop (or offered again after a long hiatus).

HARLEQUIN STARS CLASS: Virginia Walton, internationally recognized quilt artist and teacher, is debuting this class in our shop. The colors and sharp points incorporated in the design of this stunning quilt remind one of Harlequin's costume. Note that there is no discount for this class.

CLASSES SIGNUP DAY: Classes Signup Day is the last Saturday of July, the 29th. We shall have a Merchandise Coupon valued at 10% of the class fee for each class (except *Harlequin Stars*) that you sign up for on/or before that day.

METRO QUILT SHOP STROLL – Friday & Saturday, August 18 & 19: We have 5 shops this year. As you and your friends stroll from Quilts Olé in Corrales to Busy Bee Quilts in Edgewood, stopping, of course, at Southwest Decoratives, Hip Stitch, and our shop along the way, get your Passport stamped to become eligible for a BIG stack of prizes, door prizes, free patterns, and much more. Our theme this year is “If I were a Butterfly”, and some would say that each of the blocks contributed by the 5 shops is “cute as a bug's ear.” The block designed by our shop features two gorgeous butterflies with “Dresden Plate” wings, flitting among colorful flowers.

DEMO DAYS: Mark your calendar: Friday and Saturday, November 10 and 11! Watch for additional information in our e-mails and in the November-December-January Newsletter.

2017 BLOCK OF THE MONTH: If you have seen Jane Housman's awesome red and white quilt, you will understand our excitement as we introduced two red and white quilts, designed in house in collaboration with Jane, for our 2017 program. The program started November 1, 2016, and will run for 12 months. Patterns for the current month's block(s) are free, and patterns for prior months are available at nominal costs.

At the heart of our program is a Lap Quilt in which we have set many of Jane's blocks on point. Each month, we shall have patterns and kits for these blocks. For those who desire to make a queen-sized quilt with the Lap Quilt as its central design element, we are preparing patterns for nearly 2 dozen additional blocks (from Jane's original design) that can be used to create a magnificent border. As an additional incentive, we are planning a “Viewer's Choice” show, opening on Valentine's day, 2018. For one week, we shall display finished 2017 BOM quilts and invite you to vote for your favorites. The awards will include a \$75 Gift Card for the creator of the Viewer's Choice.

FIRST FRIDAY SEW-IN: The dates are August 4, September 8, and October 6. (We are meeting on the second Friday in September so that the long Labor Day weekend will not be interrupted.) Join us at 5:30 for three hours in which we devote ourselves to *your* quilting projects. They can be UFOs, quilts on which you are “stuck”, etc. It is a full spectrum opportunity, all the way from the design of quilts to putting on the finishing touches. You are welcome to work on your own projects throughout the evening, and/or spend some time sewing (sharpening your skills, perhaps) on our charity quilts. There is no charge.

BLOCK OF THE MONTH SEW-IN: Although the blocks are traditional, the on-point setting of blocks of different sizes presents some interesting piecing challenges and some exciting quilting opportunities. With this in mind, we have scheduled “Block of the Month Sew-Ins,” starting at the close of business, 5:30 pm, on one Friday of each month (August 11, September 15, and October 13). During these free sessions, we shall have lots of tips and help. You are welcome to bring your sewing machine and stay until 8:30. And you can bring other UFOs, too.

SATURDAY SAMPLER SEW-IN: It has been suggested that it would be fun to devote a sew-in to the Saturday Sampler blocks. So (Sew?) we have added this free session to our Friday night repertoire. The evenings are August 18, September 15, and October 20. We shall have tips and help for you starting at 5:30 pm, and you are welcome to bring your sewing machine, stay until as late as 8:30, and work on other UFOs.

The Quilt Works, Inc.

ROW-BY-ROW EXPERIENCE™: We, along with 23 other New Mexico shops, are participating in the Nationwide (plus Canada and Europe) 2017 Row-By-Row Experience™. (About 3000 shops participated in 2016.) Each shop has a unique pattern/kit for a row in your quilt, and you must enter the brick-and-mortar shop to get it. The theme this year is “On the Go.”

In the Row designed by our shop, Sunbonnet Sue has an ‘itch to stitch’ as she cruises along Route 66 in western New Mexico in her vintage (1950’s) convertible sedan, and the red rocks in the high mesas come into view. She is not at all surprised to see the hot air balloon on the horizon, nor is she surprised by the wonderful colors of a New Mexico sunset, viewed through the cleft in the rocks. But a cloud shaped like a sewing machine?

The background for our Row was stitched using the AppliPiecing technique developed by Caryl Bryer Fallert-Gentry in 1989. On the chance that you may not be familiar with this technique, we describe it in detail. We have found that it is beautifully suited for projects such as this one with curved lines, Y-seams, and more.

The first person to bring into our shop a completed (quilted, bound, and labeled) row quilt using patterns from at least 8 different shops will win a bundle of 25 fat quarters. Here are the dates:

- June 21 – September 6. Visit shops and collect the free patterns, and/or purchase kits with patterns included.
- June 21 – October 31. Bring in your completed quilt. If you are the first, you win the prize and we post a picture of your quilt on our Facebook page; even if you are not the first, we would still like to post a picture of you with your quilt.

Our pattern not only details how to make the Row, but also has instructions for making it into a nice stand-alone wall hanging, should you wish to use it in that way.

Our fabric license plate for 2017 reads: “SEW ENCHANTING”, and has our Sunbonnet Sue logo in the lower left-hand corner. The background color for this year’s plate is turquoise (as it was in 2015 and 2016), and the plate measures 7¼” x 3½”. In addition to “SEW ENCHANTING”, we still have “MI CASA, SEW CASA” (2016) and “SPLASH ‘N’ DASH” (2015).

UNIVERSITY CLASSES: Carol Bell is offering two UNM Continuing Education Quilting Classes at the shop. Here is a “roadmap” for finding information on the internet. <http://ce.unm.edu/>. Click on “Personal Enrichment Classes” from the “Classes for Fun” drop-down menu.

<http://ce.unm.edu/enrichment/classes/>. Scroll down and click on the “See Crafts & Hobby Classes” box under “Crafts & Hobby.” <http://ce.unm.edu/enrichment/classes/crafts-hobbies.php>. Scroll down to the listings for “Quilting 101” and “Quilting 102.”

Sunday, August 20, 1:30-3:30: Sew your Row-by-Row. We shall look at a lot of the details, including the AppliPiecing technique introduced by Caryl Bryer Fallert nearly 30 years ago, methods for printing the signs and license plate directly onto fabric, tips on adding decorative design elements along the roadside (both by applique and by quilting), and much more.

Sunday, October 15, 1:30-3:30: Sew-Enchanting Zippered Pouch. Check out Michele’s Zippered Pouch in our Row-by-Row display in the classroom! It is perfect for showcasing a Row-by-Row license plate, and a great place to store and carry small sewing supplies, scissors, rotary cutters, small quilt rulers, make-up, and even small electronics. (*I want to see how she so beautifully put in that zipper, that opens from either end.*)
