**INFORMATION ABOUT OUR CLASSES:** Descriptive information for all of our November–December–January classes, along with dates and times, is included in this Newsletter. The same information, along with pictures of the Class Models, can be found on our website. The dropdown CLASSES menu at the top of our Home page will take you to 3 pages: BASIC SKILLS CLASSES, FAVORITE CLASSES, and NEW CLASSES. If you are new to quilting or want to sharpen some of your skills, we encourage you to go to our BASIC SKILLS CLASSES page. Our FAVORITE CLASSES have been offered before (in some cases, over and over!). The classes on our NEW CLASSES page are being offered for the first time in our shop (or offered again after a long hiatus).

**CLASSES SIGN UP DAY:** Classes Signup Day is the last Saturday of October, the 28<sup>th</sup>. We shall discount by 10% the class fee for each class that you sign up for on/or before that day.

**SEMI-ANNUAL SALE – WEDNESDAY, JANUARY 17 THROUGH SATURDAY, JANUARY 20:** 25% off full priced merchandise. Don't forget our Garage Sale on Friday evening, January 19, 6:00-8:00, at which time all half-priced fabric will be \$3.75/yd. We shall close briefly from 5:00 to 6:00 to gear up for the Garage sale. We shall have many other items at special prices for our Garage Sale, too.

**DEMO DAYS, FRIDAY & SATURDAY, NOVEMBER 10 & 11:** Mark your calendar. Our staff and guest artists will be on hand to present 15- and 30-minute demonstrations of new designs, notions, techniques, and much more. Two demos will run in parallel starting at 10:00 and ending at 4:00, with a one-hour break for lunch. You will receive a ticket for each demo you attend and a ticket for each \$10 in purchase of full-price merchandise. We shall draw a ticket each hour for a door prize, and draw several tickets at the end of the second day for major prizes. You do not have to be present to win. Our list of the demos will be published about one week in advance.

#### OUR BLOCK OF THE MONTH PROGRAMS:

**2016-17 Red & White Laptop Quilt:** Our program for the *Red & White* laptop quilt draws to a close in November, during which you may pick up – free – the instructions for setting the quilt together. This gives you about 2 months to finish your quilt for display during our "Viewer's Choice" show, February 14-22, 2018. Please note that colors other than red & white are very acceptable for this show. During the show, our customers will pick the "viewer's choice" and the awards will include a \$75 Gift Card.

**2018-19 Red & White Queen Sized Quilt:** This is a follow on to our 2016-17 *Red & White* Block-of-the-Month program. Beginning in January, we shall publish patterns for blocks that are designed to be set "straight" and provide a marvelous border for our Laptop "inner" quilt. Many of these blocks (like those in the laptop quilt) can be found in Jane Housman's inspirational red and white quilt.

**2018 Shooting Stars Quilt, 92" × 104":** The *Shooting Stars* Block-of-the-Month program was designed by Patrick Lose, and features pieced blocks created with beautifully bright fabrics from his *Basically Patrick* collection. This is a 10 month program, starting in January; the pattern for each block will be free during the month dedicated to that block, and be available at a nominal cost throughout the rest of the program. Kits will be available in addition to the patterns.

**2018-19 Floral Menagerie Quilt, 72" × 96":** The *Floral Menagerie* is a 12-month Block-of-the-Month program, starting in February, in which you frame 12 different animals (appliquéd to the background fabric) with pieced blocks. The bright fabrics belong to the *Floral Menagerie* collection from In The Beginning Fabrics, and are used to piece a unique frame for each month. This program differs from our other BOM programs in that you will be expected to purchase the pattern for the entire quilt at the beginning of the program. The kits for each month will *not* include the pattern (but may include amendments generated by our shop).

## *The Quilt Works, Inc.*

**FIRST FRIDAY SEW-IN:** The dates are November 3, December 1, and January 5. Join us at 5:30 pm for three hours in which we devote ourselves to *your* quilting projects. They can be UFOs, quilts on which you are “stuck”, etc. It is a full spectrum opportunity, all the way from the design of quilts to putting on the finishing touches. You are welcome to work on your own projects throughout the evening, and/or spend some time sewing (sharpening your skills, perhaps) on our charity quilts. There is no charge.

**BLOCK OF THE MONTH SEW-IN:** The setting for our Red & White Block-of-the-Month has 26 setting triangles (some of which must be trimmed) and a half-seam (to avoid a Y-seam). With this in mind, we have scheduled “Block-of-the-Month Sew-Ins,” starting at the close of business, 5:30 pm, on one Friday of each month (November 17, December 8, and January 12). During these free sessions, we shall have lots of tips and help. You are welcome to bring your sewing machine and stay until 8:30. And you may bring other UFOs, too.

**2017 ROW-BY-ROW EXPERIENCE™:** The 2017 Row-by-Row program officially ends at the close of October. Starting on November 1, you may purchase our pattern and/or our kit (including the pattern) in which Sunbonnet Sue has an ‘itch to stitch’ as she cruises along Route 66 in western New Mexico in her vintage (1950’s) convertible sedan, and the red rocks in the high mesas come into view. She is not at all surprised to see the hot air balloon on the horizon, nor is she surprised by the wonderful colors of a New Mexico sunset, viewed through the cleft in the rocks. But a cloud shaped like a sewing machine?

The background for our Row was stitched using the Appliecing technique developed by Caryl Bryer Fallert-Gentry in 1989. On the chance that you may not be familiar with this technique, we describe it in detail. We have found that it is beautifully suited for projects such as this one with curved lines, Y-seams, and more.

In addition to the kit and pattern, we have small packets with the three road signs (“Itch to”, “Stitch on”, and “Rt 66”) already printed on fabric for you.

Our pattern not only details how to make the Row, but also has instructions for making it into a nice stand-alone wall hanging, should you wish to use it in that way.

**2018 ROW-BY-ROW EXPERIENCE™:** The theme is “Sew Musical.” If this strikes a responsive “chord,” stop by and share it with us.

**UNIVERSITY CLASSES:** Carol Bell plans to offer two UNM Continuing Education Quilting Classes at the shop, starting in late January and early February. Here is the current “roadmap” for finding information on the internet; it should work for the Spring classes. In any case, we shall send you the most recent information that we have by e-mail.

**NEW MEXICO ELECTRIC QUILT CLUB (NMEQ CLUB):** The next meeting is scheduled for the fourth Sunday in the New Year, January 28. Bring your laptop with EQ7 installed, and explore a different capability at each meeting. There is no cost. For more information, go to the NMEQ Club website: [www.nmeqclub.org](http://www.nmeqclub.org).

**DUKE CITY APPLIQUÉ SOCIETY:** If your passion is hand appliqué, join us on the second Sunday of each month, 1:00-3:00. The dates are November 12, December 10, and January 14. As the sponsoring organization for this meeting, we require that you join *The Appliqué Society* after two visits. For more information, go to <http://www.theappliquesociety.org/>

**VIQ (VERY IMPORTANT QUILTER) CARDS:** Every time you purchase full-price merchandise valued at more than \$5, we stamp your VIQ card. Your completed VIQ card (\$250) is doubly valuable. A completed Card can be redeemed for \$25 toward the purchase of full-price merchandise. The redeemed cards are held until January 1 or July 1, at which time we draw one card, and present the winner with a gift card valued at \$75.00. (We do not stamp the VIQ cards for classes, half-priced merchandise, or sale purchases.)

**BIRTHDAY DISCOUNT:** Be sure to shop on your birthday: You will receive a 25% discount on all full-price merchandise purchased on that day. (Special arrangements will be made if your birthday falls on a day when the shop is closed.) We do not stamp your VIQ card when you take advantage of this discount.

**STUDENT DISCOUNT COUPON – 20%:** As an additional incentive to take classes at *The Quilt Works*, we offer Student Discount Coupons. This Coupon entitles you to a one-time 20% discount on full-price merchandise, and is valid for one month. You will receive this Coupon at the first class meeting. (*Basic Rotary Skills* and visiting instructor classes are excluded. VIQ cards are not stamped when you use the Student Discount Coupon.)

**SENIOR DISCOUNT DAY:** Don’t forget that each Tuesday is a “Senior Discount Day.” Your senior discount (for those 60 and older) is 10%. (VIQ cards are not stamped.)

**GIFT CARDS:** Gift Cards make great presents, and may be purchased at the front desk. You may choose any value for your card.
