### **ALBUQUERQUE METRO QUILT SHOP STROLL – FRIDAY & SATURDAY, AUGUST 17 & 18:**

As you and your friends stroll from Quilts Olé in Corrales to Busy Bee Quilts in Edgewood, stopping, of course, at Southwest Decoratives, Hip Stitch, and our shop along the way, get your Passport stamped to become eligible for a BIG stack of prizes, door prizes, free patterns, and much more. Our theme this year is "Autumn Splendor." Each shop has designed a unique block in keeping with this theme; the patterns are free, but you may wish to pick up the kit (\$7.95) because it has all of the autumn fabrics you need for the block. Our designs are fresh and creative, and offer several different techniques. Thus, for example, in our block, we pieced the four arms of the Zia symbol to make the background, and replaced the circle in the center with a pumpkin constructed of "made" fabric (several different oranges, sewn together at improvisational angles); we used bobbin work to create the pumpkin vines behind the appliqued leaves, and as a final touch added a 3-D chili ristra, hanging from one arm of the Zia symbol. Our setting of the five blocks is a 44" x 44" wall hanging in which the blocks are spaced among four blocks that are variations of the Evening Star design; you may wish to add design elements such as a chili, a hot air balloon, an ear of Indian corn, etc., in the center of each of the Evening Stars.

### **INFORMATION ABOUT OUR CLASSES:**

Descriptive information for all of our August-September-October classes, along with dates and times, is included in this Newsletter. The same information, along with pictures of the Class Models, can be found on our website. The dropdown CLASSES menu at the top of our Home page will take you to 3 pages: BASIC SKILLS CLASSES, FAVORITE CLASSES, and NEW CLASSES. If you are new to quilting or want to sharpen some of your skills, we encourage you to go to our BASIC SKILLS CLASSES page. Our FAVORITE CLASSES have been offered before (in some cases, over and over!). The classes on our NEW CLASSES page are being offered for the first time in our shop (or offered again after a long hiatus).

### **SEW 'TIL YOU DROP; MAY YOU FIND FABRIC IN NEED – "STUD MUFFIN":**

STUD MUFFIN is our new sew-in evening event. We meet on the fourth Friday evening of each month for a potluck supper followed by sewing until we all drop.

The cost is \$5, and we encourage you to sign up no later than the preceding Wednesday. 17 people gathered for our first STUD MUFFIN, in June, and we all sewed on our most "in need" projects.

The upcoming dates are August 24, September 26, and October 28.

### **2018-2019 SATURDAY SAMPLER PROGRAM:**

The 2018-2019 Saturday Sampler program starts on October 13<sup>th</sup>, and will meet on the second Saturday of each month for eleven months. There are two, half-hour sessions: 8:30-9:00 & 9:00-9:30.

We chose Edyta Sitar's *Sew In Love* quilt for this program. We plan to feature Civil War fabrics in place of fabrics from Edyta's *Little Sweethearts* collection.

*Sew In Love* is 75" x 75"; each of the 12 blocks is unique and presents a different learning experience to the quilter. There are two options available to the quilter: In one version, all of the blocks are pieced. In the other, two of the pieced blocks are replaced with appliqued blocks.

You pay a single fee to enter the program. At the first meeting, you receive the kit for the blocks to be completed within the following month. Provided you finish and display these blocks at the next meeting, you receive the kit for the following month at no additional cost. If for any reason you are unable to meet this requirement, you must pay a "reentry" fee to get back in good standing. Please note that, in addition to the entry fee, you must also purchase Edyta's book, *Sew In Love* (\$28.95); it is the source for the patterns.

### **NEWSLETTER:**

This Newsletter includes both information about our upcoming classes and a calendar of Classes and Events at the Shop. It is available in two different formats.

Electronic. The Newsletter is posted as a \*.pdf file on our website. Go to [www.quiltworksabq.com](http://www.quiltworksabq.com) and click on **Download Newsletter**.

Hard Copy. You are welcome to pick up a copy (free) at the front desk when you visit the Shop.

**GIFT CARDS: Gift cards are great presents, and may be purchased at the front desk in any value you desire.**

### 2018 ROW-BY-ROW EXPERIENCE™:

We, along with two dozen other New Mexico shops, are participating in the Nationwide (plus Canada and Europe) 2018 Row-By-Row Experience™. (About 3000 shops participated in 2017.) Each shop has a unique pattern/kit, and you must enter the brick-and-mortar shop to get it.

There is one significant difference this year: The patterns this year are no longer strictly “rows” (or columns), measuring 9” × 36”. Two additional configurations have been added this year: 12” × 27” and 18” × 18”. (Our pattern is 12” × 27”.) As a result, there are more opportunities (and challenges) for the design of your quilt; you could even design a quilt that is no longer defined as a “row” quilt.

The theme this year is “Sew Musical.” The first person to bring into our shop a completed (quilted, bound, and labeled) row quilt using patterns from at least 8 different shops will win a bundle of 25 fat quarters. Here are the dates:

- June 21 – September 3. Visit shops and collect the free patterns, and/or purchase kits with patterns included.
- June 21 – October 31. Bring in your completed quilt. If you are the first, you win the prize and we post a picture of your quilt on our Facebook page; even if you are not the first, we would still like to post a picture of you with your quilt.

Our pattern not only details how to make the Row, but also has instructions for making it into a nice stand-alone wall hanging, should you wish to use it in that way.

Our fabric license plate for 2018 reads: “DO MI SEW DO”, and has our Sunbonnet Sue logo. The background color for this year’s plate is terra cotta (burnt orange), and the plate measures 7¼” x 3½”.

### FIRST FRIDAY SEW-IN:

The dates are August 3, September 7, and October 5. Join us at 5:30 for three hours in which we devote ourselves to *your* quilting projects. They can be UFOs, quilts on which you are “stuck”, etc. It is a full spectrum opportunity, all the way from the design of quilts to putting on the finishing touches. You are welcome to work on your own projects throughout the evening, and/or spend some time sewing (sharpening your skills, perhaps) on our charity quilts. There is no charge.

### STUDENT DISCOUNT COUPON – 20%:

As an additional incentive to take classes at *The Quilt Works*, we offer Student Discount Coupons. This Coupon entitles you to a one-time 20% discount on full-price merchandise, and is valid for one month. You will receive this Coupon at the first class meeting. (*Basic Rotary Skills* and visiting instructor classes are excluded. VIQ cards are not stamped when you use the Student Discount Coupon.)

### VIQ (VERY IMPORTANT QUILTER) CARDS:

Every time you purchase full-price merchandise valued at more than \$5, we stamp your VIQ card. Your completed VIQ card (\$250) is doubly valuable. A completed Card can be redeemed for \$25 toward the purchase of full-price merchandise. The redeemed cards are held until January 1 or July 1, at which time we draw one card, and present the winner with a gift card valued at \$75.00. (We do not stamp the VIQ cards for classes, half-priced merchandise, or sale purchases.

### OUR BLOCK OF THE MONTH PROGRAMS:

**2018-19 Floral Menagerie Quilt, 72” × 96”:** The *Floral Menagerie* is a 12-month Block-of-the-Month program that started in February, in which you frame 12 different animals (appliquéd to the background fabric), with pieced blocks. The bright fabrics belong to the *Floral Menagerie* collection from In The Beginning Fabrics, and are used to piece a unique frame for each month. This program differs from our other BOM programs in that you purchase the pattern for the entire quilt at the beginning of the program.

**2018 Shooting Stars Quilt, 92” × 104”:** The *Shooting Stars* Block-of-the-Month program was designed by Patrick Lose, and features pieced blocks created with beautifully bright fabrics from his *Basically Patrick* collection. This 10 month program started in January; the pattern for each block is free during the month dedicated to that block, and is available at a nominal cost throughout the rest of the program. Kits are available in addition to the patterns.

**2018-19 Red & White Queen Sized Quilt, 90” × 107”:** This is a follow on to our 2016-17 *Red & White* Block-of-the-Month program. A pieced border is added to our lap-sized quilt to form a queen-sized quilt. The border has 26 pieced blocks, set “straight” (while the blocks in the lap quilt are on point). The program started in January and runs for 10 months. Patterns for 3 blocks are published each month; the setting instructions will be published in October. As in our “typical” BOM programs, the patterns are free during the month in which they are published. Twenty kits are prepared each month, and are available for the first 20 people who sign up for this program. Participants are expected to save their receipts (in Red Envelopes) and exchange them, at no additional cost, for 3 yards of Kona *Snow* fabric for setting the blocks in the borders next October.

### DUKE CITY APPLIQUÉ SOCIETY:

If your passion is hand appliqué, join us on the second Sunday of each month, 1:00-3:00. The dates are August 12, September 9, and October 14. As the sponsoring organization for this meeting, we require that you join *The Appliqué Society* after two visits. For more information, go to <http://www.theappliesociety.org/>

### SENIOR DISCOUNT DAY:

Don’t forget that each Tuesday is a “Senior Discount Day.” Your senior discount (for those 60 and older) is 10%. (VIQ cards are not stamped.)

### BIRTHDAY DISCOUNT:

Be sure to shop on your birthday: You will receive a 25% discount on all full-price merchandise purchased on that day. (Special arrangements will be made if your birthday falls on a day when the shop is closed.) We do not stamp your VIQ card when you take advantage of this discount.
