2019 EMPLOYEES' QUILT SHOW: Monday April 1 through Saturday, April 13. Mark your calendars to see the quilts that represent the skills and creativity of our staff.

WELCOME! TWO NEW TEACHERS NAMED "CAROL"

CAROL RISING: Carol Rising has been sewing for many years and added quilting to her repertoire in 2007. Her class in the NEW classes section, *Two Fabric Bargello*, reflects the burst of beautiful ombre fabrics and the resurgence of interest in Bargello quilts. Suddenly, it is possible to capture the sweep of colors across the quilt using just two fabrics, while spending hours instead of weeks doing the piecing.

CAROL MEINCKE: Carol Meincke has been quilting for more than two decades, and shares with us a uniquely different technique for capturing the precision and artistry of Paper Piecing, without the necessity for tearing all of the foundation papers off of the back when you have finished piecing a design element. Carol is particularly fond of Asian fabrics and batiks, vivid colors, and scrap quilts; her class model exemplifies her loves. Look for the *Chinese Fireworks* class in our NEW classes section.

OPEN SEWING DAYS

FIRST FRIDAY SEW-IN: Our First Friday Sew-Ins are similar to our Monday Sew Days, except that we gather in the evening of the first Friday of each month. The dates are February 1, March 1, and April 5. Join us at 5:30 for three hours in which we devote ourselves to *your* quilting projects. They can be UFOs, quilts on which you are "stuck", etc. It is a full spectrum opportunity, all the way from the design of quilts to putting on the finishing touches. You are welcome to work on your own projects throughout the evening, and/or spend some time sewing (sharpening your skills, perhaps) on our charity quilts. There is no charge.

QUILT SEW LATE - QSL: This is another opportunity to quilt with your friends. Quilt Sew Late starts when the shop closes at 5:30 on the *last* Friday of each month, includes a potluck supper, and does not end until the last quilter present unthreads his/her needle. The dates are February 22, March 29, and April 26. We usually work on our own projects but have charity quilts that need some work. The cost for the evening is \$5.00.

MONDAY SEW DAYS: Our Monday Sew Days are the first and third Mondays of each month (February 4 and 18, March 4 and 18, and April 1 and 15). They are open to all, and there is no cost. This is a great opportunity to sew on UFOs (Unfinished Objects), get help on problem areas, work together on charity quilts, and simply share the quilting experience with other quilters. We place special emphasis on Quilts of Valor.

DUKE CITY APPLIQUÉ SOCIETY: If your passion is hand appliqué, join us on the second Sunday of each month, 1:00-3:00. The dates are February 10, March 10, and April 14. As the sponsoring organization for this meeting, we require that you join *The Appliqué Society* after two visits. For more information, go to <http://www.theappliquesociety.org/>

ABQ MODERN QUILT GUILD DOO DAH DAY – SATURDAY APRIL 20: Join us as we make donation items to support The Fisher House, Albuquerque Fiber Arts Fiesta's designated charity. These small items, worthy of a \$5 donation, have come to be known as "Doo Dahs". Mandy Ruden will bring supplies and demo making zippy pouches; so it's (wait for it) a "zippity doo dah" day.

STRING PIECED FANTASY II-- OUR 2019 BLOCK OF THE MONTH PROGRAM:

Seventeen years ago (2002), we created *String Pieced Fantasy*, a 12-month Block of the Month program in which 12 string pieced blocks with black background fabric were pieced into a Bargello quilt featuring colorful and black-and white-fabrics. In our 2019 version, each Block features colorful 1930's fabrics situated in an off-white Kona *Snow* fabric background. The finished Block is then pieced into a Bargello setting made from 20 "low-volume" fabrics with tones from off white to tan on one end and off-white to gray on the other end.

This is a "traditional" Block of the Month program: The patterns for the blocks and for setting the blocks into the Bargello background are free during the month in which the Block is introduced. In following months, the patterns for the Block and for the Setting are available at nominal costs.

The kits for the Blocks, available each month, include the fabrics both for the Blocks and for the portion of the Bargello setting that is adjacent to the Block. At the end of the 12 months, you will be able to assemble the complete quilt top; no additional Bargello fabrics will be required to finish the Setting.

INFORMATION ABOUT OUR CLASSES: Descriptive information for all of our February, March and April classes, along with dates and times, is included in this Newsletter. The same information, along with pictures of the Class Models, can be found on our website. The dropdown CLASSES menu at the top of our Home page will take you to 3 pages: BASIC SKILLS CLASSES, FAVORITE CLASSES, and NEW CLASSES. If you are new to quilting or want to sharpen some of your skills, we encourage you to go to our BASIC SKILLS CLASSES page. Our FAVORITE CLASSES have been offered before (in some cases, over and over!). The classes on our NEW CLASSES page are being offered for the first time in our shop (or offered again after a long hiatus).

Homework will consist of completing the embroidery for that month's block. At the end of the program you will have completed the quilt blocks made and have them ready to put together into a beautiful, and unique, quilt to display for Halloween or throughout the year. 9 hrs: \$72.00.
