34TH ANNIVERSARY CELEBRATION: It was 34 years ago (on May 25) that Shirley, Leta, and Margaret became the new owners of *The Quilt Works*. We shall celebrate on Saturday, May 25, with a **34% OFF sale of ALL REGULARLY PRICED MERCHANDISE**. (No special orders, please.) There will be cookies, and who knows what else, for an exciting day.

SEMI-ANNUAL SALE – WEDNESDAY, JULY 10 THROUGH SATURDAY, JULY 13: 25% off full priced merchandise. Don't forget our Garage Sale on Friday evening, 6:00-8:00, in which all half-priced fabric will be \$3.75/yd. We shall close briefly from 5:00 to 6:00 to gear up for the Garage Sale. We shall have many other items at special prices for our Garage Sale, too.

WELCOME! THREE NEW TEACHERS

ANITA MCSORLEY: Anita has been quilting since the 70's, but took a sharp turn at some point: dyeing, printing, painting and/or otherwise manipulating the fabrics she wanted to use in her quilts and garments. She loves to experiment with materials you wouldn't usually associate with fabrics to sometimes create spectacular effects. "Faux metal" is indeed an accurate description of the soft fabrics she created for making the cross-body bag for her July class.

LISA PRIES-LINN: Lisa took her first quilting class here at the Quilt Works in 1990. She had combined many techniques from books, the internet, and YouTube to develop the rope bowl she will be helping you create in class. She is most fond of hand-dyed fabrics and bright colors.

MARIANNE BETTINGER: Marianne has been quilting since the early 1980's. She started with traditional quilts but has transitioned into art quilts, using small pieces of fabric to create fabric "paintings". This class will teach you how to create a fantasy seahorse by blending colors and free form machine quilting. Since the pieces of fabric used are small, it is possible to add details that are otherwise difficult to achieve in fabric images.

SHOP HOURS

Monday - Friday	9 am - 5:30 pm
Saturday	9 am - 5 pm
Sunday	1 pm - 4:30 pm

CLOSURES: Mother's Day, Sunday, May 12; Memorial Day, Monday, May 27; Father's Day, Sunday, June 16; Independence Day, Thursday, July 4.

OPEN SEWING DAYS

MONDAY SEW DAYS: Our Monday Sew Days are the first and third Mondays of each month (May 6 and 20, June 3 and 17, July 1 and 15). They are open to all, and there is no cost. This is a great opportunity to sew on UFOs (Unfinished Objects), get help on problem areas, work together on charity quilts, and simply share the quilting experience with other quilters. We place special emphasis on Quilts of Valor.

FIRST FRIDAY SEW-IN: Our First Friday Sew-Ins are similar to our Monday Sew Days, except that we gather in the evening of the first Friday of each month. The dates are May 3, June 7, and July 5. Join us at 5:30 for three hours in which we devote ourselves to *your* quilting projects. They can be UFOs, quilts on which you are "stuck", etc. It is a full spectrum opportunity, all the way from the design of quilts to putting on the finishing touches. You are welcome to work on your own projects throughout the evening, and/or spend some time sewing (sharpening your skills, perhaps) on our charity quilts. There is no charge.

QUILT SEW LATE - QSL: This is another opportunity to quilt with your friends. Quilt Sew Late starts when the shop closes at 5:30 on the *last* Friday of each month, includes a potluck supper, and does not end until the last quilter present unthreads his/her needle. The dates are May 17 (the *third* Friday this month, as we do not wish to conflict with *Fiber Arts Fiesta*), June 28, and July 26. We usually work on our own projects but have charity quilts that need some work. The cost for the evening is \$5.00.

DUKE CITY APPLIQUÉ SOCIETY: If your passion is hand appliqué, join us on the second Sunday of each month, 1:00-3:00. The dates are May 5 (the *first* Sunday this month, as we are closed on the following Sunday, Mother's Day), June 9, and July 14. As the sponsoring organization for this meeting, we require that you join *The Appliqué Society* after two visits. For more information, go to <http://www.theappliesociety.org/>

STRING PIECED FANTASY II-- OUR 2019 BLOCK OF THE MONTH PROGRAM:

Seventeen years ago (2002), we created *String Pieced Fantasy*, a 12-month Block of the Month program in which 12 string pieced blocks with black background fabric were pieced into a Bargello quilt featuring colorful and black-and-white-fabrics. In our 2019 version, each Block features colorful 1930's fabrics situated in an off-white Kona *Snow* fabric background. The finished Block is then pieced into a Bargello setting made from 20 "low-volume" fabrics with tones from off white to tan on one end and off-white to gray on the other end.

The patterns for the blocks and for setting the blocks into the Bargello background are free during the month in which the Block is introduced. In following months, the patterns for the Block and for the Setting are available at nominal costs.

The kits for the Blocks, available each month, include the fabrics both for the Blocks and for the portion of the Bargello setting that is adjacent to the Block. At the end of the 12 months, you will be able to assemble the complete quilt top; no additional Bargello fabrics will be required to finish the Setting.

2019 ROW-BY-ROW EXPERIENCE™: We, along with several other New Mexico shops, are participating in the Nationwide (plus Canada and Europe) 2019 Row-By-Row Experience™. (About 3000 shops participated in 2017.) Each shop has a unique pattern/kit for a row in your quilt, and you must enter the brick-and-mortar shop to get it. The theme this year is "Taste the Experience." The first person to bring into our shop a completed (quilted, bound, and labeled) row quilt using patterns from at least 8 different shops will win a bundle of 25 fat quarters. Here are the dates:

- June 1. Look for a picture of our Row on our web site.
- June 21 – September 3. Visit shops and collect the free patterns, and/or purchase kits with patterns included.
- June 21 – October 31. Bring in your completed quilt. If you are the first, you win the prize and we post a picture of your quilt on our Facebook page; even if you are not the first, we would still like to post a picture of you with your quilt.

Our pattern not only details how to make the Row, but also has instructions for making it into a nice stand-alone wall hanging, should you wish to use it in that way.

GIFT CARDS: Gift Cards make great presents, and may be purchased at the front desk. You may choose any value for your card.
