### SHOP HOURS

Monday - Friday	9 am - 5:30 pm
Saturday	9 am - 5 pm
Sunday	1 pm - 4:30 pm

**CLOSURE:** Labor Day, Monday, September 2.

**CLASSES SIGN UP DAY:** Classes Sign Up Day is the last Saturday of July, the 27<sup>th</sup>. We shall discount by 10% the class fee for each class that you sign up for on/or before that day.

### **ALBUQUERQUE METRO QUILT SHOP STROLL – FRIDAY & SATURDAY, AUGUST 16 & 17:**

As you and your friends stroll from Quilts Olé in Corrales to Busy Bee Quilts in Edgewood, stopping, of course, at Southwest Decoratives, Hip Stitch, and our shop along the way, get your Passport stamped to become eligible for a BIG stack of prizes, door prizes, free patterns, and much more.

Each shop has designed a Barn Block, typical of the quilt blocks painted on many barns throughout the Midwest. During the Stroll, the patterns for the blocks are free for people on the Stroll, but you may wish to pick up the kit (\$7.95) because it has all of the fabrics you need for the block. Like the vast majority of the Midwest Barn Blocks, our blocks are pieced with rectangles and triangles, and do not have multicolored motifs in the patches. In addition to the solid colored fabrics, we did use some Moda Grunges. (What do we observe as the paints on the barns weather in the sun and rain?)

We chose the Shirley block for our shop's contribution. With its unique design (an Evening Star sharing two corner patches with nine patch units on opposite corners), we once again reflect on the 30 years of beautiful and courageous leadership that Shirley gave to the quilting community here in Albuquerque and the surrounding communities.

Our setting of the 5 blocks from the participating shops, designed by Becky Welch, has a modern vibe – with movement. The negative space is a marvelous canvas for quilting; be sure to look closely at the artistic quilting by Bobbi Lucero on our shop model.

### OPEN SEWING DAYS

**MONDAY SEW DAYS. AUGUST 5 & 19, SEPTEMBER 9 & 23, OCTOBER 7 & 21:** Our Monday Sew Days are usually the first and third Mondays of each month; however, since we are closed on Labor Day, we shall sew on the second and fourth Mondays of September. The Monday Sew Days are open to all, and there is no cost. This is a great opportunity to sew on UFOs (Unfinished Objects), get help on problem areas, work together on charity quilts, and simply share the quilting experience with other quilters. We place special emphasis on Quilts of Valor.

**FIRST FRIDAY SEW-IN:** Our First Friday Sew-Ins are similar to our Monday Sew Days, except that we gather in the evening of the first Friday of each month. The dates are August 2, September 6, and October 4. Join us at 5:30 for three hours in which we devote ourselves to *your* quilting projects. They can be UFOs, quilts on which you are "stuck", etc. It is a full spectrum opportunity, all the way from the design of quilts to putting on the finishing touches. You are welcome to work on your own projects throughout the evening, and/or spend some time sewing (sharpening your skills, perhaps) on our charity quilts. There is no charge.

**QUILT SEW LATE - QSL:** This is another opportunity to quilt with your friends. Quilt Sew Late starts when the shop closes at 5:30 on the *last* Friday of each month, includes a potluck supper, and does not end until the last quilter present unthreads his/her needle. The dates are August 30, September 27, and October 25. We usually work on our own projects but have charity quilts that need some work. The cost for the evening is \$5.00.

**DUKE CITY APPLIQUÉ SOCIETY:** If your passion is hand appliqué, join us on the second Sunday of each month, 1:00-3:00. The dates are August 11, September 8, and October 13. As the sponsoring organization for this meeting, we require that you join *The Appliqué Society* after two visits. For more information, go to <http://www.theappliquesociety.org/>

### CONGRATULATIONS!

### **STRING PIECED FANTASY II-- OUR 2019 BLOCK OF THE MONTH PROGRAM:**

Seventeen years ago (2002), we created *String Pieced Fantasy*, a 12-month Block of the Month program in which 12 string pieced blocks with black background fabric were pieced into a Bargello quilt featuring colorful and black-and-white-fabrics. In our 2019 version, each Block features colorful 1930's fabrics situated in an off-white Kona *Snow* fabric background. The finished Block is then pieced into a Bargello setting made from 20 "low-volume" fabrics with tones from off white to tan on one end and off-white to gray on the other end.

The patterns for the blocks and for setting the blocks into the Bargello background are free during the month in which the Block is introduced. In following months, the patterns for the Block and for the Setting are available at nominal costs.

The kits for the Blocks, available each month for \$17.50, include the fabrics both for the Blocks and for the portion of the Bargello setting that is adjacent to the Block. At the end of the 12 months, you will be able to assemble the complete quilt top; no additional Bargello fabrics will be required to finish the Setting.

### **2019 ROW-BY-ROW EXPERIENCE™:**

We, along with more than 20 other New Mexico shops, are participating in the Nationwide (plus Canada and Europe) 2019 Row-By-Row Experience™. (About 3000 shops participated in 2017.) Each shop has a unique pattern/kit for a row in your quilt, and you must enter the brick-and-mortar shop, on or before September 3, to get it.

The first person to bring into our shop, on or before October 31, a completed (quilted, bound, and labeled) row quilt using patterns from at least 8 different shops will win a bundle of 25 fat quarters. Even if you are not the first, we would still like to see your quilt and post a picture of you with your quilt on Facebook.

The theme this year is "Taste the Experience." We created a Roadrunner with a red chile in his beak, paper pieced into a 12" x 27" background, and then appliqued colorful NM mesas cut from strip sets. "MY Chile!" says the Roadrunner as he scampers across the NM landscape. We are not sure whether he picked it while passing through Hatch, or whether it was accidentally dropped from the special shape hot air balloon, high above.

Our pattern not only details how to make the Row, but also has instructions for making it into a nice stand-alone wall hanging, should you wish to use it in that way.

The pattern is free through September 3, and the kit is \$28.50. Our fabric license plate, "Sew So Hot," is \$4.95.

**GIFT CARDS:** Gift Cards make great presents, and may be purchased at the front desk. You may choose any value for your card.

**NEWSLETTER:** This Newsletter includes both information about our upcoming classes and a calendar of Classes and Events at the Shop. It is available in two different formats.

Hard Copy. You are welcome to pick up a copy (free) at the front desk when you visit the Shop.

**INFORMATION ABOUT OUR CLASSES:** Descriptive information for all of our August, September and October classes, along with dates and times, is included in this Newsletter. The same information, along with pictures of the Class Models, can be found on our website. The dropdown CLASSES menu at the top of our Home page will take you to 3 pages: BASIC SKILLS CLASSES, FAVORITE CLASSES, and NEW CLASSES. If you are new to quilting or want to sharpen some of your skills, we encourage you to go to our BASIC SKILLS CLASSES page. Our FAVORITE CLASSES have been offered before (in some cases, over and over!). The fabric requirements for the square Tuffet are different from those for the round Tuffet. Be sure to study the pattern in advance to make sure that you bring the right fabrics; Dana can help you with this.

**Note (2):** Sign up at least a week in advance so that we can order the hardware and other specialty items needed for this project.

6 hrs: \$210.00 (\$48.00 for the class plus \$162.00 for the kit.) VIQ eligible; includes pattern, hardware, and specialty fabrics.

Using just two fabrics you can construct a stunning Bargello wall hanging in one of three designs included in the pattern. On the other hand, if you would like to border the feature fabric with bands of a contrasting fabric, we have both the pattern and the spreadsheet for the Three Fabric Bargello quilt, and shall give them to you at no additional cost. In both cases, you will have a great start on your Bargello quilt by the end of class.

6 hrs: \$48.00
